Log in to track your progress

If you haven't already, [sign up](#) to become a W3Schooler, and get points for every exercise you complete.

As a logged-in W3Schools user you will have access to many features like having [your own web page](#), [track your learning progress](#), [receive personal guided paths](#), and [more](#).

The Exercise

The exercises are a mix of "multiple choice" and "fill in the blanks" questions.

There are between 3 and 9 questions in each category.

The answer can be found in the corresponding tutorial chapter.

If you're stuck, or answer wrong, you can try again or hit the "Show Answer" button to see the correct answer.
